REFLECTIONS ON THE WAR IN AFGHANISTAN

A Community Exhibit

In 2009, the American Friends Service Committee put out a call to artists through the Chicago Public Art Group and the Philadelphia Mural Arts Program, seeking contributions for a traveling memorial to Afghan civilians who have died in the war. Over the next few months, more than 40 muralists donated their talents, designing and painting individual murals on sheets of acrylic cloth. This community exhibit is a selection of 25 installations from the originals. We thank them for their generosity and commitment to peace.

The war in Afghanistan is now the longest in U.S. history, yet for many of us it has been rendered largely invisible. This exhibit is an opening and an invitation to reflect upon the impact of this war on a civilian population caught in the crossfire.
